GOLD TO BE PROUD OF

GOLD TO BE PROUD OF

FAIRMINED is an assurance label that certifies gold from responsible artisanal and small-scale mining.

It is a Standard that ensures organizational and social development, better work conditions and environmental protection.

It is an opportunity for everyone to support responsible miners and make a positive impact in their communities.

FAIRMINED transforms artisanal and small-scale mining into an active force for good, providing everyone with a source of gold to be proud of.

BE PROUD OF YOUR GOLD, CHOOSE FAIRMINED.
